

## Charlotte Valley Celebrity Recipe Contest

### How it works:

- Students enter their favorite recipe for an entrée, vegetable or side dish. (there will be a box in the cafeteria).
  - Recipes will be collected until April 28th. At this point, one recipe will be chosen to be added to the school's menu for the month of June.
  - The winning recipe will be healthy, delicious, cost effective, and realistically producible in a school cafeteria setting. (no exotic ingredients)
- (If you have questions about the merits of your recipe, see Mr. Thorsland)

### The Prize:

- Celebrity Status. The winning student gets to name the menu item. The winner may give it his/her own personal name. ("The Becky Smith") They may choose to gift it to a friend or favorite teacher and give it their name. They can name it after their favorite sports team, athlete, super hero, etc.
- The name they choose will appear in **bold, red type** on the school menu for June of 2017.
- The winning student will also have the opportunity to help make the dish the first day that it is served and present it to a panel of teachers and staff.

**Hurry, time is running out!**

**Good Luck!**
